Learn to Skate Outreach—March 25th, May 13th, April 8th

We are working with the Greeley Ice Haus to create a Jr Board outreach team to promote Learn to Skate. During testing weeks, we will have opportunities for MVSC skaters to show off their routines. By showing how far our skaters have progressed in the LTS program will hopefully encourage new skaters to continue in the LTS programs and participate in our events.

We would also love to have our adult members at the Skate Store table these weeks to talk with families about their experience and the benefits of joining the Club.

Junior Board Meetings: 2nd Saturdays, 8am. Open to all members under 18

Jr Board members develop critical leadership skills by coordinating social events, fundraisers, and volunteer opportunities to increase our presence in the community.

Jr Board is under new leadership with Bre and Melissa as committee chairs. Thanks to Lyndsay for her hard work!
