Skater Spotlight: Coach Shawna

Shawna Ludy is the new Figure Skating Director at the Greeley Ice Haus. She has a lot of great experiences to share and we thought it would be great to get to know her better!

When did you start skating? When I was 6, with hockey. Quickly changed to figure skates.

What is your current skating level? Double Gold Medalist

How many days a week do you skate? 7

Working hardest on? Flying spins. Flying sit has always been my favorite.

Favorite Skill on the Ice: Spirals. They can be extremely calming and relaxing. They have a beauty to them. Nearly everyone can accomplish a spiral!

Favorite part of skate club? The friends and connections made in the figure skating club are lifelong connections that I will never forget. As figure skaters we all get to bond over the constant struggles of falling on the ice, even in the summer.

Favorite place she's skated? Finland- hands down the most gorgeous country with some of the best food in the world!

Binge watching?: I started rewatching Grey's Anatomy. I remember Grey's dinner parties with all my old teammates.

Besides skating she enjoys: Spending time on the water. I enjoy wakeboarding, snowboarding, paddleboarding and wake surfing.

Something we may not know?: I have a lot of siblings. 6 brothers and 2 sisters

Favorite Color: Blue

Shawna with Haydenettes Teammates at Rockefeller Center!

"My favorite moment in my skating career was receiving our world medal in Gothenburg, as a part of Team USA-Haydenettes it was an incredible experience and a lifelong accomplishment."

"Figure skating is a constant challenge. There is no end to learning. If you have your singles, work on your doubles. If you spin for 8 revolutions, work on 12 revolutions. You have to be a hard worker and show commitment to the sport."
