

Mountain View Skating Club

Meeting Minutes

August 17, 2019

Present: Carlos Rael, Penny Wesanko, Lindsey Leaf, Melayna Rael, Justin Howell, Laurie Smith, Sandi Cooper Leah Hurst.

Next meeting: September 21, 2019 (10 AM) @ Ice Haus

1. Financial Update

Current Bank Balance is pending. Lindsey will send out notification about bank balance.

2. Discussions

Spring Ice Show

Nichole presented two (2) ideas for the spring ice show; Road Trip and Wizard of Oz. Nichole presented two (2) outlines of show parts, scenes, and song ideas. Since the show is for the skaters, Carlos will poll members to see what topic they would like.

Show Committee to meet to outline show topics for the board to review / vote:

- Auditions – how, when, where, levels, etc.
- Costumes – pricing and options; how to roll out to members

Competition

Melayna will reach out to Lisa Landon to make sure that we get the competition scheduled in the basic skills series and to Carol Zales to ensure that they have us listed in the Mile High schedule. Carlos will contact Mark to ensure that we have the full day of June 6, 2020 for the competition.

Fall Event

Lindsey to investigate Fort Fun and bowling costs for MVSC fall event.

- Fort Fun - Options are to have MVSC pay ½ of the cost and parents pay the other ½ of costs. Some concerns were members paring off and not all coming together.
- Bowling party - MVSC to hold a bowling party since it would be cheaper and easier to put together.

Vote – Unanimous vote for Bowling Party

Skating Clinic Options

Carlos to speak with the Ice Haus and reach out to Liz Eggtoe for skating clinic. October would be ideal however need to check on availability with Ice Haus due to hockey starting.

Justin Howell to reach out to UNC contacts for maybe a off ice clinic as well.

Performance Group Committee

Need to form committee for a performance squad that would need to raise their own money through fundraisers for coaching fees and costumes. Carlos to reach out to Carla to see if she can do the performance squad and costs.
